Certification and the standards and qualities associated with the award to the Franchisor will only be valid for a period of 1 year from the date of the award stated on the Badge. The Badge was awarded to the Franchisor based on research carried out by WorkBuzz on the Franchisor's levels of historic franchisee satisfaction. The Badge does not constitute a guarantee by WorkBuzz that the Franchisor will continue to perform to the same standards following the award.

2. The award and display of the Badge does not guarantee that this is the correct franchise business for you or that any subsequent investment in this franchise by you will result in a successful investment or franchising business. Further the display of the Badge by the Franchisor does not constitute a guarantee, representation or undertaking by WorkBuzz as to the level of turnover, profit (if any), earnings, financial performance or level of training and support that you will achieve or receive should you decide, in your sole judgment to invest in the Franchisor's franchise business. For further information on aspects to consider before you invest in a franchise please [click this link](#).
3. WorkBuzz shall not be liable for any errors, omissions or inaccuracies created or displayed on the Franchisor's website or any advertising and promotional materials of the Franchisor which use, display or make reference to the Badge.
4. For further information on WorkBuzz, an explanation of the Badge and how franchise businesses can be awarded the Badge please [click this link](#).
